

Recycling Locations

This chart indicates which locations accept certain recyclable goods. Plastic grocery bags, styrofoam, and waxed containers, such as cardboard milk and juice cartons, are not accepted at any of these locations. Check with your local grocery store to see if they recycle plastic bags.

Reference codes given in bold (A1) can be located on the map to the right.

Charlottesville & Albemarle County

Charlottesville offers free weekly curbside pickup. A free recycling bin can be obtained at the Department of Public Works at 305 Fourth Street NW. Private haulers in Albemarle are required to provide pickup newspapers and magazines for all residents.
