RE: General Assembly update

The General Assembly is scheduled to adjourn its regular 60-day session on Saturday, March 8. At your March 6 meeting, I will very briefly highlight the ongoing state budget work and major bills that have been considered by lawmakers this session.

The legislature also is scheduled to meet Wednesday, April 16, for its annual reconvened session to consider vetoes and amendments to be recommended in early April by Governor Kaine.

Thank you.
