UnJAM
UPDATE

Plan to attend the

Regional Summit

UnJAM 2035 Regional Summit

Saturday, May 10, 2008

8:30 a.m. -12:00 noon

It's time for us to make some tough choices – and we need your help. Five years ago The Charlottesville-Albemarle Metropolitan Planning Organization (CA-MPO) and the Thomas Jefferson Planning District Commission (TJPDC), asked you to help create a long-range plan for the region's transportation needs. It is now time to update that plan to reflect your current needs and new concerns for the future. These changes will be incorporated into the UnJAM 2035 Long Range Plan. TJPDC is asking for community residents from around the region to attend the UnJAM 2035 Regional Transportation Summit and participate in helping to plan for our future and to make these updates.

In addition to the Regional Summit the Thomas Jefferson Planning District Commission has launched "UnJAM.org". UnJAM.org is the communication hub for the long range plan. Here you can fill out our online survey, share your comments, review our newest and most innovative transportation and land use studies, and learn more about the upcoming UnJAM 2035 Regional Summit. We invite you to explore UnJAM.org and take advantage of this opportunity to contribute to the vision for our region.
