To: TJPD Commissioners
From: David Blount, Legislative Liaison
Date: October 2, 2008
Reference: 2009 TJPD Legislative Program

Purpose: The draft 2009 TJPD Legislative Program is before you for your review and approval.

Background: The draft legislative program (attached) is being presented in Albemarle and Fluvanna Counties on October 1st, in Louisa County and Charlottesville on October 6th, and in Nelson and Greene Counties on October 14th. Following approval by all the localities, the legislative program will be sent to legislators, local governing bodies, administrative staff and planning commissioners in the region. It also will be posted on the TJPDC website. If you would like to have the program sent to any other persons or organizations, please let me know.

The legislative luncheon is scheduled for Thursday, October 23. Invitations were sent out in late September, with responses due back by October 20. An update on plans for the luncheon will be provided at your meeting. The focus of the meeting will be on the program's two top priority items, dealing with state budget/revenues and land use/growth management issues.

Action Needed: Discuss the draft legislative program, suggest any further revisions and approve the program.
