

TJACH Board Members – Proposed Slate for Appointment

The TJACH Structure Task Force is pleased to present additional names of proposed members for the TJACH Board as it steps into the role of the Lead Organization on Homelessness. The board will consist of 12 to 15 members including representatives from businesses, local government, service providers, non-profits, faith-based organizations, the academic community and others. The initial board will be appointed by the Thomas Jefferson Planning District Commission. After the initial appointment, the Board will fill vacancies.

Additional persons presented for appointment:

Jim Miller, Realtor with Prudential Charlotte Ramsey REALTORS Inc.

Adam Thompson, formerly homeless, now an advocate for the homeless and on the staff of the AIDS/HIV Services Group (ASG)

Notes:

- Charlottesville Police Chief Tim Longo is committed to the idea of having a Police Department representative on the Board, but was not in a position to give us a firm name for tonight.
- The Structure Team has a nominee from the faith community, but a job change has delayed a definite response.
- The Structure Team believes a representative from the Charlottesville Redevelopment and Housing Authority would be critical to this effort. Executive Director Noah Schwartz resigned his position this week and will be moving to Arizona in January 2009. The team is seeking a designee.
