## **Charlottesville Albemarle Regional Transportation Citizen Advisory Committee (CHART)**

The CHART Advisory Committee is composed of citizens appointed by the City, County and MPO to represent a broad range of interest in the community.

### **CHART's mission is to:**

- Meet monthly to review and discuss transportation planning issues in the Charlottesville-Albemarle Metropolitan Planning Organization.
- Seek public input and involvement regarding transportation planning and projects within the Charlottesville-Albemarle Metropolitan Planning Organization.
- Host community forums to solicit public input. Present plan update and recommendations for plan amendments to MPO Technical Committee for endorsement and approval by MPO Policy Board.
- Continue to assist, review, plan and recommend to MPO Technical Committee on-going changes and needs to UnJAM 2035.
- Develop and recommend updates to long range Charlottesville Albemarle Regional Transportation Plan (CHART) (in previous years, this document was called the Charlottesville Area Transportation Study, or CATS).
